RECREATIONAL FACILITIES HANDBOOK

INTRODUCTION

The safety and enjoyment of Mountain Springs Ranch property owners (**members**) are primary concerns in the operation of our recreational facilities. This Handbook has been developed to manage a number of factors:

- Promote safety and enjoyment of all property owners
- Concerns of Liability
- Enforcement of our governing documents
- Protection of property and facilities owned by Mountain Springs Ranch Property Owners Association (**The Association**)

This Handbook represents a complete compilation of the regulations for the use of our recreational facilities. You may see abbreviated lists of rules in various locations, such as on web pages, bulletin boards or on signs around the neighborhood. These incomplete lists are intended to highlight a specific message or rules of immediate concern for your safety. The existence of an abbreviated list of rules does not reduce or eliminate your obligation to follow **all** of the rules in this document.

ENFORCEMENT

Failure to comply with any regulation in this document may result in the revocation of your privileges to use the facilities discussed in this document, at the discretion of the Board of Directors (this may not affect your right to attend specific events at these facilities to which you are entitled to attend, including, but not limited to property owner meetings).

These facilities are funded and shared by the property owners of Mountain Springs Ranch and we all share the responsibility to avoid situations where our use of a facility reduces someone else's enjoyment of our recreational facilities. Consequently, if a neighbor brings a violation of a rule to your attention, you should immediately cease the activity which violates the rule.

In cases where there is no rule violation, or where the interpretation of a rule is unclear, but one person's use of the recreational facilities interferes with another person's use, work it out like good neighbors. This will avoid putting the Board of Directors in a position where they will have to make new rules that increase restrictions in the use of our recreational facilities.

SCOPE OF RULES

This document defines the regulations for the following recreational facilities owned by the Association:

- Pool area (the area inside the second gate including three (3) swimming pools and adjacent picnic tables and grills.)
- Pavilion area (the area inside the card key gate including the pavilion, restrooms, and playground – it does not include the swimming pools.)
- The Nature Preserve.
- Parking Lots (parking lots provided for access to the recreational facilities in this list.)

GENERAL RULES

The following rules apply to all recreational facilities:

- NO SMOKING is allowed at any recreational facilities, indoor or outdoor.
- No latching or locking mechanism should ever be forced, disabled, or circumvented. NO GATE SHOULD EVER BE PROPPED OPEN. IT IS ILLEGAL TO PROP OPEN POOL GATES.
- No fence or gate should ever be “jumped” or “climbed,” nor should anyone dig or crawl under a fence. Enter fenced areas only through the gates provided for that purpose.
- VANDALISM WILL NOT BE TOLERATED. IF YOU OR YOUR GUEST IS ASSOCIATED WITH AN ACT OF VANDALISM, PRIVILEGES TO USE THE RECREATIONAL FACILITIES WILL BE REVOKED FOR A TERM TO BE DETERMINED BY THE BOARD OF DIRECTORS.

Vandalism includes:

- Acts performed with the intent to damage or deface the recreational facilities (including, but not limited to breaking lights, tagging a wall, cutting down a tree.)
- Flagrant misuse of facilities or objects that result in damage, even if there was no intent to create the damage (including, but not limited to, jumping on a chair, jumping or climbing a fence or gate if the facility or object was damaged in the process).
- Pranks (including, but not limited to throwing tables, chairs, gravel or rocks into the pools, pulling lids off the skimmer baskets, etc.)
- Parking is permitted only in designated parking areas. These are:
 - The parking lot adjacent to the pavilion and pool facilities and behind the mailbox facility.
 - The lower parking lot below the pool parking lot for the Nature Preserve.
 - The parking lot at the south entrance to the Nature Preserve.
 - The parking lot on the pull-over northeast of the bridge on Comal Springs.
- Parking spaces are not marked. You should always park so that you don’t crowd other vehicles unnecessarily, but also do not waste parking area.
- Do not exceed five (5) miles per hours in Association parking lots. No “peel-outs” will be tolerated.
- NO FLAMMABLE LIQUIDS (i.e. Charcoal Lighter Fluid)
